BRITISH ISLES

Quaff a pint in a Dublin pub, stroll the Royal Mile - the main street in Edinburgh's medieval days, and enjoy the view from Northern Ireland's Cliffs of Moher.

Starting and concluding the cruise in Amsterdam, after a day at sea you'll arrive in Guernsey, the most densely populated of the Channel Islands, spread over 65sq km of towns, clifftop pastures, farms and market gardens. With empty white-sand beaches and glittering cobalt-blue sea, St Marys is a charming Isle that seems to transport you back in time. Liverpool is energetic, cosmopolitan city with a rich architectural heritage. After decades of conflict, Belfast has immerged as one of Ireland's most intriguing cities. Scotland's Isle of Lewis has a rich history and rugged beauty with fjord-like lochs and dramatic sea-cliffs. Gateway to Scotland's Northern Highlands – with its rugged sandstone cliffs, windswept moors and churning ocean – is Scrabster, a charming fishing port where the late Queen Mother and the royal family would disembark to visit their summer residence.
