PHIL HOFFMANN'S – INSIDER TIPS

1. Head to Oyster HQ – the best sea-food experience in Coffin Bay, right on the water's edge. Hear from the Oyster Farmer himself, shuck your own oysters straight from the sea all whilst enjoying a bottle of bubbly.
2. Visit family friendly wineries. Barristers Block in the Adelaide Hills has a huge sandpit and farm animals. At Z Wines in the Barossa, enjoy a wine and tasting plank while the kids enjoy one of their own with juices, smoked fritz, fairy bread, and more!
3. For catering on a houseboat – have each couple look after the food for a day. Or arrange a chef to come aboard and serve a 3-course meal. There are also catering services that will stock your houseboat with pre-ordered food and drinks.
4. Take an easy 55 minute flight from Adelaide to Port Lincoln Or road trip with stops along the way in Cowell, Arno Bay, Port Neill and Tumby Bay and discover small coastal towns, white sandy beaches and clear waters.
5. A Kangaroo Island holiday isn't complete without a trip to Stokes Bay. Weave your way through a maze of caves before emerging onto some of the whitest sand and clearest water in Australia!
6. Check out when the local markets are on to team up with your weekend away! Meet growers, producers and collect fresh produce, local gourmet food and beverage products.
