PERSONALISED SERVICE

All guests are pampered equally aboard our ships. We are the only cruise line in the world to include butler service in every suite, in every category. A staff-to-guest ratio of nearly one to one ensures that your every wish is fulfilled with earnest precision, from the concierge who can customise your voyage to the butler who serves your breakfast in suite.

INTIMATE LUXURY CRUISE SHIPS

Our fleet of ten luxury small ships range in size from 50 to 304 suites ensuring every voyage feels intimate yet spacious. There is something uniquely satisfying about a smaller ship, and Silversea has one of the highest space to guest ratios in the industry. Our ships can sail up narrow waterways into the heart of a city while others must anchor off shore.

BEVERAGES IN-SUITE AND THROUGHOUT THE SHIP

Select wines, premium spirits, specialty coffees, as well as bottled water, juices and soft drinks are complimentary in all bars and lounges. Your suite's mini-bar is also stocked with your preferred beverages including wines and spirits. Your butler will replenish them upon request.

GRATUITIES*

Our unwavering commitment to flawless service requires an attitude that is totally focused on the part of every member of the staff. Their professional training is readily apparent, from the waiter who keeps your water glass filled to the chef who prepares your favourite soufflé à la minute. Yet surprisingly gratuities are not expected. They're included in the cruise fare.
