Sounds of Silence Dinner Option:

Entered into the Australian Tourism Hall of Fame, Sounds of Silence offers the best of the Red Centre distilled into four magical hours. An evening of dining under the sparkling outback sky.

Your Sounds of Silence experience begins with canapes and chilled sparkling wine upon a dune top overlooking the Uluru-Kata Tjuta National Park. As the sun sets and darkness falls, listen to the sound of a didgeridoo and join your table of fellow travelers for an unforgettable dining experience.

Our attentive staff will offer a selection of Australian wine and beer while the first course is served at your table. As the night sky twinkles to life, you will be welcomed to an interactive chef's station where you will be served your choice from our freshly prepared, bush tucker inspired menu incorporating native bush ingredients.

Settle back and listen to our resident star talker decode the southern night sky. Locate the Southern Cross, the signs of the zodiac, the Milky Way, as well as planets and galaxies that are visible due to the exceptional clarity of the atmosphere.
